BRISTOL FOURTH OF JULY COMMITTEE 1776

225th Celebration... "A Star Spangled Experience"

February 15, 2010

Dear Friend,

The Bristol Fourth of July Committee cordially invites you to apply for participation in the Parade Float Competition of the 225th Annual Fourth of July Celebration in Bristol, Rhode Island on Monday, July 5, 2010.

The first official Bristol Independence Day Observance was celebrated in 1785. The parade has continued with only six interruptions since 1834. The last interruption was in 1881 due to the assassination of President Garfield making it the oldest continuing Fourth of July parade in the United States.

Over the years the Bristol Fourth of July Celebration has become quite famous and attracts hundreds of thousands of spectators. This year's parade will include bands and drum corps from all over the United States. We look forward to welcoming past supporters and new-comers alike to the float competition and the line of March for the 225th anniversary of our celebration of America's Independence.

We will be awarding prizes for the *Most Patriotic*, *Most Beautiful* and *Most Original* floats in two categories: *Commercial* and *Non-Commercial*. There will also be a *Top Military Honors* and *Best in the Parade* Awards.

The Float Preparation Requirements, 2010 Float Application Form, and Waiver of Liability and Float Judging Criteria, and Parade Rules & Regulations are enclosed. **Please complete the application and waiver of liability return them with fee and a sketch and /or photograph of your proposed float design postmarked no later than May 1, 2010 to:**
